

2023 Summary for FaithBridge Foster Care Inc.

Summary:

As a qualified organization, FaithBridge Youth Opportunities began assisting eligible young adults who aged out of foster care or were participating in extended foster care with wraparound services to support their pursuit of post-secondary education in over 30 universities and technical colleges throughout Georgia. The expenditures and services for 2023 wraparound services included housing, transportation, medical, counseling, mentorship, nutrition, and personal necessities. As a result, former foster youth were able to overcome significant financial obstacles including housing and food insecurity, financial and medical emergencies, and lack of transportation to their campus and successfully continue their education thanks to this support.
